Meaning:

Oh Sri Krishna ! You have been decorated with Kasturi Tilakam, a beautiful Namam on the smooth forehead;

You have an ornament of Kausthubham on your Vakshasthalam, the seat of Sri Maha Lakshmi (on the chest);

On the nose, You have nava mouktikam, another ornament;
On your fingertips, You have a Flute; You also have a Bracelet on Your wrist;

Your entire body is bedecked with sandalwood paste giving out fragrance;
Your neck too is surrounded by another ornament;

You are the giver of Mukti (salvation) to the lady-cowherds who went rounds and rounds around You;

Oh that Lord, Victory to You -The Ornament to the ornaments of cowherd (meaning, the commonest of the common man too has his wealth in Him) !
